Figure 1a and Fig. 2 have been published incorrectly. The correct version of Figs. 1a and 2 in the original article is provided below:

The 8th line of the Results and Discussion section on page 434 should read as follows:

“PPy/Ag nanocomposite, with the size range of 100–180 nm”.

The 4th line on page 435 should read:

“Diameter of 100–180 nm was uniform in size and well dispersed”.
